12-LEAD REVIEW

An evening with the Master

Mike Crossley has proven himself to be the regional master of 12-Lead EKG's. Mike has worked closely with Cardiology groups in Dauphin County and with Physio-Control to blaze the trail of pre-hospital STEMI recognition. Mike is the former Operations Manager at South Central EMS (Dauphin Co.) where he currently works as a Paramedic. Mike has a long history of teaching cardiology and precepting paramedic students.
