

**PHASE 2 - ADVANCEMENT FORM**  
**Phase 2 Completion – Advancement to Phase 3**

Paramedic Student \_\_\_\_\_

To complete Phase 2, the student must:

1. Run a minimum of 25 ALS patient contacts
2. Run with a minimum of 2 different preceptors
3. Scored 2s in all pertinent categories outlined on the daily performance evaluation
4. Obtain a signature of one preceptor other than the Primary Preceptor to move into Phase 3
5. Obtain the signature of the Primary Preceptor to move into Phase 3

The **FIELD “INTERMEDIATE” PHASE** is designed to exercise the student in the categories of scene assessment, initial assessment, ongoing assessment, work ethic, documentation and attitude. The student is also responsible for all skills approved by the Paramedic Program, based on the progress of the academic schedule. By signing this form, the preceptors indicate that the student has demonstrated safe and competent behavior based on the performance objectives outlined for Phase 2, and is ready to advance to Field Phase 3 – **ADVANCED PHASE**.
